

The ITEA 2 Board is very pleased to invite you to the ITEA & ARTEMIS Co-summit on 30 & 31 October in Paris, France. The Co-summit will be held at CNIT La Défense.

Co-summit participants will be able to discover in abundance that ICT is at the heart of innovation while browsing the around 90 projects on show at the project exhibitions of ITEA and ARTEMIS (open both days). This year, the exhibitions will include a special focus area with projects related to the topic of *reliability*.

This year's theme – *Sharing a vision for ICT innovation* – is the basis for the plenary programme, including keynote speeches and panel sessions, and the parallel sessions. Other programme highlights are the family sessions of ITEA and ARTEMIS as well as presentations of the Achievement Award 2012 nominees.

Participation

Current ITEA 2 Partners and Bodies, Public Authorities and ARTEMIS-IA Members are entitled to free admission. For those who are not a member of those communities the participation fee is 450 euro (VAT included). For participation at the Co-summit dinner, there is a fee of 50 euro (Public Authorities representatives and other guests of honour are excluded from this fee).

If you are interested in participating please register by completing the registration form on our Co-summit website.
